## Notable features:

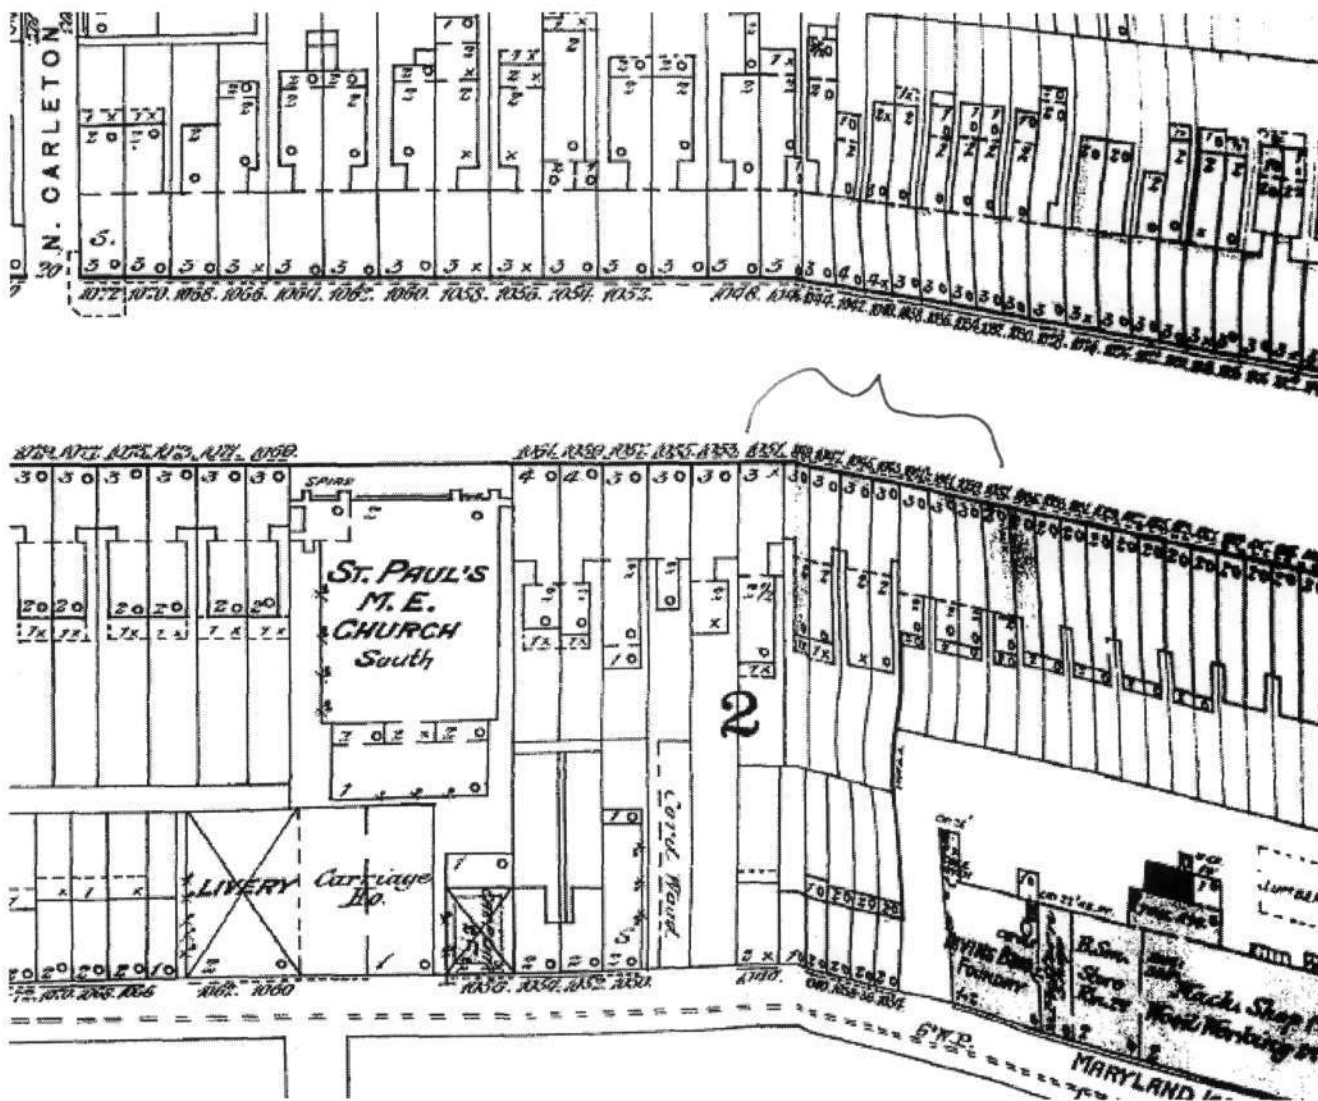

Numbers 1037-1043 are 3-story houses with filigree windows, etc., the same as the previous row. Number 1043½-1045 has a simple cornice, 6/9 windows at ground floor level and segmental window arches. Number 1045 retains its original door and both have cellar entrances and cast iron coal chute covers. Numbers 1047 and 1049 have gable roofs, 1047 has 6/9 windows on the first floor. Number 1051 is a very interesting house. It has a gable roof, iron lintels over the second floor windows, a cornice above the first floor and retains its original door and ironwork (see photo).
